Our Vision & Mission

Global Fund for Women's vision is a world where every woman and girl is strong, safe, powerful, and heard. No exceptions.

We are a global champion for the human rights of women and girls. We use our powerful networks to find, fund, and amplify the courageous work of those people who are building social movements and challenging the status quo. By shining a spotlight on critical issues, we rally communities of advocates who take action and invest money to empower women.
