FINANCIAL INFORMATION

This year, we doubled down on our support for gender justice movements globally. We funded organizations and movements directly working on a wide range of gender justice issues including reproductive justice, ending sexual and gender-based violence, and adolescent girls' rights. And we grew our Fiscal Sponsorship Program, championing Black feminist programs otherwise ineligible for tax-deductible donations in the United States.

OUR VISION & MISSION

We envision a world where movements for gender justice have transformed power and privilege for a few into equity and equality for all.

We fund bold, ambitious, and expansive gender justice movements to create meaningful change that will last beyond our lifetimes.
